OUR PREPARATION

Our preparation for Confirmation is designed for candidates who have a desire to live as a disciple of Jesus Christ and are active in their Parish. If your teenager is in that place then this will be a transformative process for them. If they are not in that place yet then they will not be in a place to be transformed. But there is no need to worry. Our Focus and Encounter groups are for them. If you're not sure whether your teen is ready, reach out to us.

UNCERTAIN TIMES

We know these times are uncertain and people are worried. You want to protect your family. That's why we have decided to move some of our preparation online.

THE MATERIAL & SCHEDULE

The material consists of videos and activities. Our Catechists will also give input.

ONLINE SESSIONS

The Retreat Weeks are carried out at home. We send your teen the content through your email. The Search Sessions are online too. We send the content and we ask you to cover it at home with your teen. This is your journey as a parent too.

SCHEDULE

The preparation is in two parts. Between September and Christmas there will be no in person meetings. In 2021, if it is safe to do so, we will begin our in person meetings. This means meeting together for Parent and Teen sessions. You will find a calendar with the dates of the meetings. The 2021 dates will be confirmed when it is possible to do so.

*We are looking forward to joining you in this wonderful journey of faith.
